# BWC Implementation

ISC: Unclassified

## Why does CPS have BWCs?

- BWCs are a tool that provides an unbiased, independent account of police/community interactions.
- They are an investment in CPS's commitment to delivering accountable and transparent policing services.

## What are BWCs used for?

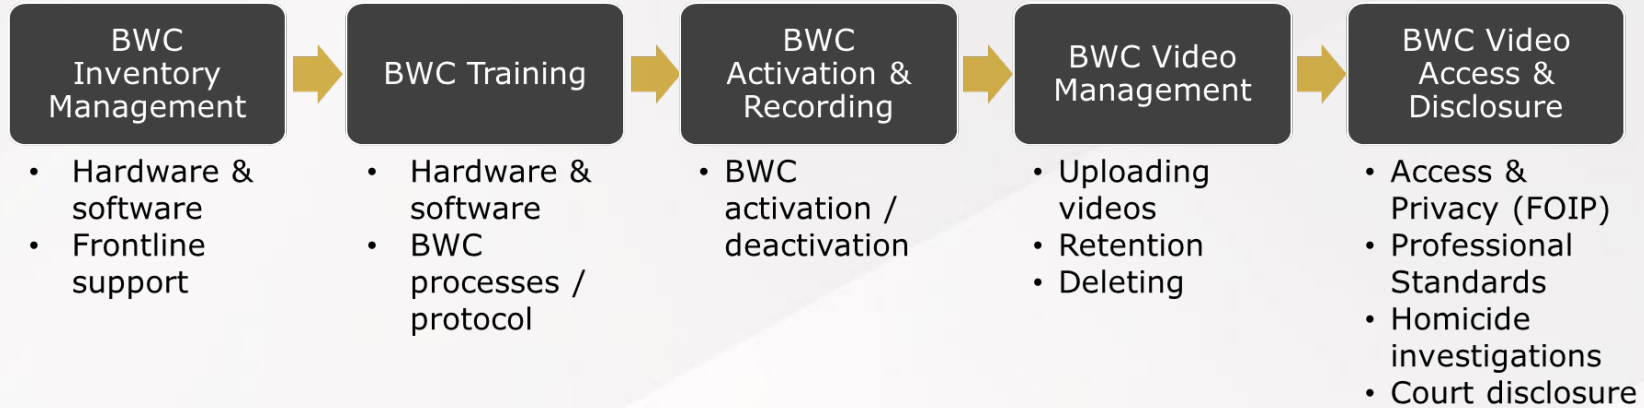

- Improve transparency, public trust, and confidence
- Enhance officer accountability and professionalism
- Provide real-life training examples
- De-escalate situations and reduce incidences of force
- Protect officers from unfounded allegations of police misconduct
- Increase the efficiency of resolution of complaints
- Improve evidence collection, documentation, prosecution, and early case resolution
