World Petroleum Congress

Update for the CPC

Presenters: WPC Project Team

2023 06 28

Jason Archibald, Business Strategist

Sheldon Scott, A/Superintendent

Zain Kelly, Sergeant

Key updates

- The WPC will take place September 17-21
- The project is on track to finish on time and on budget
- There is currently no intelligence that suggests a direct threat
- Operational response planning continues, including scalable components for contingency
- We are planning around multiple physical challenges in the area
- Public communication will be coordinated between the CPS, the City and external partners
